

Andrew Garrison is the Chief of the Office of Policy and Government Affairs for the Maryland Cannabis Administration and leads the Administration's regulatory, legislative and intergovernmental efforts. Prior to serving in this capacity, he worked for the Maryland General Assembly's budget office for four legislative sessions, with a particular focus on the State's health regulatory agencies and behavioral health programs. He holds a Masters of Public Service and Administration from Texas A&M University with a concentration in Health Policy and Policy Analysis and a Bachelors of Arts from the University of Minnesota.
